## OFFICE OF THE SECRETARY TO THE PRESIDENT

*New Delhi, the 15th May 1958*

No. 11-Pres./58.—The President is pleased to award the Police Medal for gallantry to the undermentioned officers of the Madhya Pradesh Police:—

*Names of Officers and ranks:*

1. Shri Nain Singh, Constable, 4th Battalion, Special Armed Force, Gwalior, (deceased).
2. Shri Man Bahadur, Constable, 4th Battalion, Special Armed Force, Gwalior.

*Statement of services for which the decorations have been awarded:*

In the early morning of the 2nd July 1956, a Police party entered the ravines of village Saraya-ka-pura, Police Station Phoop, Bhind District, in pursuit of the gang of notorious dacoit Roopa. The dacoits, who had already taken up positions, fired on the Police. The Police returned the fire. During the ensuing encounter Constable Nain Singh noticed a dacoit moving through the ravines and although he was himself disadvantageously placed, exposed himself at great personal risk in order to shoot at the dacoit. While doing so he was himself shot at and grievously wounded by another dacoit—the injury later proving fatal. Constable Man Bahadur who was beside Constable Nain Singh immediately removed him to a place of safety and then shot at and killed the dacoit who had wounded him. This dacoit was later identified as Bamarua, the right hand man of Roopa.

In this encounter Constable Nain Singh and Constable Man Bahadur displayed exemplary courage and devotion to duty of a high order.

2. These awards are made for gallantry under rule 4 (i) of the rules governing the award of the Police Medal and consequently carry with them the special allowance admissible to officers of and below the rank of Inspector of Police, as provided in rule 5.

A. V. PAI, Secy.

## SUPREME COURT, INDIA

*New Delhi, the 13th May 1958*

SUBJECT:—Long Vacation, 1958

No. F.172/58-SCA(III).—In pursuance of rule 6 of Order II of Supreme Court Rules, 1950 (as amended), and in continuation of the Supreme Court Notification of even No. dated the 24th April, 1958, the Hon'ble the Chief Justice of India has been pleased to appoint the Hon'ble Mr. Justice J. L. Kapur, the Hon'ble Mr. Justice P. B. Gajendragadkar and the Hon'ble Mr. Justice A. K. Sarkar to constitute a Bench to hear and dispose of such of the Capital sentence appeals as may be ready for disposal by the 1st July, 1958.

The Bench will sit during the period commencing from the 1st July, 1958 and ending with the 4th July, 1958 or for such further period as the Bench may consider necessary to sit.

ARINDAM DUTT, Registrar.

## MINISTRY OF FINANCE

(Department of Economic Affairs)

## RESOLUTION

*New Delhi, the 14th May 1958*

No. F.22(5)-NS/58.—It is notified for general information that Smt. Mary Clubwala Jadhev, whose nomination as member of the Central Advisory Board for Women's Savings Campaign was announced in this Ministry's Resolution No. F.8(14)-NS/56, dated the 26th February, 1957, having tendered her resignation, ceased to be a member of the Board.

R. SARAN, Under Secy.

## MINISTRY OF STEEL, MINES &amp; FUEL

(Department of Mines & Fuel)

## RESOLUTION

*New Delhi, the 15th May 1958*

No. C5-10(3)/58.—The Committee on Requirements and Utilisation, constituted by the Coal Council of India, has *inter alia*, stressed the need for evolving suitable and adequate measures for achieving optimum economy and efficiency in the use of fuel resources in the country, principally coal. The Committee has, for this purpose, recommended the creation of a permanent Fuel Efficiency Committee.

2. The Coal Council of India, as well as the Government of India, have considered this recommendation in the context of the steadily increasing requirements of coal in the country. Considering the substantial quantities of coal consumed in steam raising, power generation and processing and combustion in industrial furnaces in the country, a stage has been reached when it is essential to ensure that necessary technical advice, help and guidance are made available to the various categories of industrial consumers so as to make them conscious of the need to achieve economy and efficiency in the use of fuels. Fuel economy and fuel efficiency involve two principal aspects, *viz*:—

- (i) to ensure that the quality and size, as well as the source of supply, of fuel utilised is appropriate to the purpose, that is to say, as far as possible, no consumer utilises fuel of a quality or grade superior to that which is actually required for the operation of the plant, equipment or appliance; and
- (ii) to ensure that maximum efficiency is achieved in all stages of actual operation from generation to utilisation of power, in existing installed plants as well as in new plants that may be designed and installed in the future.

3. A certain amount of attention is, no doubt, being directed to this problem even at present by the Boiler Inspectorate functioning under the provisions of the Indian Boilers Act and the Boilers Regulations, as well as by the Fuel Efficiency Unit in the Coal Controller's organisation, but in view of the increasing importance of fuel economy and efficiency in the context of conservation of resources of good quality coals, it is essential that the problem should be tackled in a concerted and co-ordinated manner so as to achieve the maximum results.

4. The Government of India have accordingly decided that a Fuel Efficiency Committee should be constituted with immediate effect. The Committee will consist of the following:—

*Chairman.*

- (1) The Coal Controller.

*Members.*

- (2) The Joint Director, Mechanical Engineer (Coal), Railway Board.
- (3) The Director, Central Fuel Research Institute, Jealgora, or his representative.
- (4) A representative of the Department of Iron & Fuel.
- (5) The Technical Adviser (Boilers), Ministry of Works, Housing & Supply.

*Member-Secretary.*

- (6) The Chief Combustion Engineer, Coal Controller's Organisation.

5. The functions of the Committee will be as under:—

- (1) to evolve a pattern of survey, investigation and research in consumption of coals used in steam raising, power generation, processing and combustion in the various industrial furnaces and to determine the combustion characteristics of different types of coals;
- (2) to study the fuel problems of industries and to advise them on the use of proper type of appliances;
- (3) to draw up a comprehensive schedule of types, grades and sizes of coal for the various classes of consumers;
- (4) to initiate and organise studies and surveys to ensure that the coals allotted to consumers are consumed with due regard to maximum fuel efficiency; and
- (5) to make recommendations for building up suitable technical organisations for fulfilling the above objectives.

The Committee will mainly deal with broader problems and keep the research aspect continuously in view.

6. The Committee will be assisted, in matters relating to research, technical investigations etc. in the field of fuel efficiency and economy, by a Fuel Efficiency Cell which will be located in the Central Fuel Research Institute.

7. The Committee will work in close co-ordination with the Department of Iron & Steel as well as with the Railways.

8. The Government may, from time to time, appoint such other members to the Committee as may be considered necessary.

ORDER: Ordered that a copy of the Resolution be communicated to all concerned.

Ordered also that the Resolution be published in the Gazette of India for general information.

N. S. MANI, Joint Secy.

**MINISTRY OF COMMERCE & INDUSTRY***New Delhi, the 16th May 1958*

**No. 3(4)-TEX.(B)/56.**—In exercise of the powers conferred by Section 9(1) of the Cotton Textiles Fund Ordinance, 1944 (Ordinance No. 34 of 1944) the Central Government hereby amends Rule 19(3) of the Cotton Textiles Fund Rules as follows:—
